“Together Actions for SDGs 2024”: A Collaborative Effort to Advance Sustainable Development in Cambodia

Phnom Penh – In a significant step toward accelerating the achievement of the Sustainable Development Goals (SDGs) in Cambodia, the United Nations in Cambodia and AEON MALL (Cambodia) Co., Ltd. are partnering to host “Together Actions for SDGs 2024.” This three-day event, from November 1st to 3rd, 2024 at AEON MALL Sen Sok City, will unite key stakeholders - government counterparts, businesses, youth groups, and the publics to drive Cambodia’s collective progress towards a more sustainable future.

The three-day event will feature a dynamic lineup of activities designed to raise awareness, facilitate partnerships, and showcase innovative solutions aligned with the SDGs. Key objectives include highlighting the role of individuals in contributing to the SDGs, promoting sustainable practices, inspiring youth engagement, and fostering collaboration among stakeholders committed to the SDGs.

Participants can look forward to engaging in various activities including keynote speeches by sustainable development experts, exhibition booths showcasing the SDGs and sustainable initiatives, panel discussions on topics like climate action and gender equality, cultural performances and concerts, and networking sessions to create opportunities for meaningful connections and partnerships.

“Cambodia’s journey towards the 2030 Agenda requires all sectors of society to work together. ‘Together Actions for SDGs 2024’ offers a key opportunity for everyone in the community to deepen collaboration, share innovative solutions, and foster a sense of collective responsibility in achieving the SDGs. The United Nations is proud to partner with AEON MALL Cambodia, bringing together businesses, communities, and decision-makers to accelerate Cambodia’s sustainable development.”, said Mr. Jo Scheuer, the United Nations Resident Coordinator in Cambodia.

Mr. Endo Fumihiko, Managing Director of AEON MALL Cambodia, added “At AEON MALL Cambodia, we believe in the power of community collaboration to drive sustainable development. By hosting ‘Together Actions for SDGs 2024’, we aim to provide a platform where businesses, communities, and young people can create a positive impact. This event is not only about raising awareness but also about turning ideas into actions that contribute to Cambodia’s sustainable future aligning with our mission to ‘Fill Everyday Life in Cambodia with New Possibilities.’”
